Number titles have been identified by a # sign next to the title. These titles count towards the total title number in a versatility category. For titles earned in succession, the lower-level titles may be used towards total title count. (IE. A dog with a FCAT2 has 4 titles BCAT, DCAT, FCAT, FCAT2; a dog with a DS title does not get to count a DN and DJ title towards their title count since these titles are not earned in succession).

All titles must appear on the dog's AKC record.

Awards are as follows:

Versatile AHT- Title certificate and designation of VA suffix to dog's name

Versatile AHT Advanced- Title Certificate and designation of VAA suffix to dog's name

Versatile AHT Excellent- Medallion, Title certificate and designation of VAX suffix to dog's name

Versatile AHT Champion- Rosette, Title certificate and designation of VACH prefix to dog's name

Versatility titles must be earned in succession.

For the VACH the dog must have at least one AKC Prefix title.
