Flyball		FDCH	FM	FDGCH, ONYX
Tracking		TD, TDU	TDX, VST	CT
SAR				SAR-U#,

				SAR-W#
Multi				VCD#, VCCH

Rules:

1. Owner must be a member in good standing with the AHTCA
2. All titles earned through the title recognition program must be posted on the dog's official AKC record to count.
3. Please submit the application with a copy of the dog's official AKC record or the AKC title progression page found in your MyAKC account.
4. Dogs enrolled the the PAL (purebred alternative listing) or the FFS program are eligible.
5. There are 4 tiers of titles the Versatility Program. The Versatility Award (VA), the Versatility Award Advanced (VAA), the Versatility Award Excellent (VAX) and the Versatility Champion (VACH). Each tier has the listed requirements above.
6. Overall title counts can be from any tier for all levels. Sequential titles count the lower level "dropped" titles in total title count as well. ie) a dog with a FCAT has 3 titles towards the total title count even though the BCAT and DCAT were dropped from the name since the titles must be earned in sequence. A dog with a DM (dock master title) who hasn't earned a DS (dock senior) on his record may not count the DS since it's not required to be earned in sequence.
7. Versatility titles must be earned in sequence.

Awards:

VA- emailed certificate

VAA- emailed certificate

VAX- medallion, printed and emailed certificate

VACH- Rosette to be awarded during the AHTCA annual meeting, printed and emailed certificate

Please mail or email completed application to
